Item 8.01 - Other Events

On August 10, 2007, Overseas Shipholding Group, Inc. ("OSG") issued a press release announcing that OSG America L.P. (the "Limited Partnership") had filed a registration statement with the Securities and Exchange Commission for a proposed initial public offering of 7,500,000 common units, representing a 22.8% limited partnership interest in the Limited Partnership. Immediately following completion of the public offering, and assuming that the over-allotment option granted to the underwriters is not exercised, OSG will hold a 77.2% interest in the Limited Partnership, including a 2% general partner interest through its ownership of the general partner of the Limited Partnership. The Limited Partnership will own and operate U.S. flag product carriers and barges that transport petroleum products. The Limited Partnership intends to use the net proceeds of the offering to pay OSG approximately \$136.5 million in cash. A copy of the press release is attached hereto as Exhibit 99.1 and is incorporated herein by reference.
