FOR IMMEDIATE RELEASE

GRAND TOYS INTERNATIONAL ANNOUNCES FINANCIAL RESULTS FOR FIRST QUARTER 2004

MONTREAL, CANADA -- **May 14, 2004** -- Grand Toys International, Inc. (Nasdaq: GRIN) today announced results for its first quarter ended March 31, 2004. Net sales for the first quarter of 2004 were \$2.8 million compared to \$2.9 million for the first quarter of 2003. The Company reported earnings from continuing operations of \$236,228, or \$0.04 per basic share, for the first quarter of 2004. This compares to earnings from continuing operations of \$350,080, or \$0.13 per basic share, in the first quarter of 2003. The Company posted net earnings of \$236,228, or \$0.04 per basic share, for the first quarter of 2004. This compares to net earnings of \$453,082, or \$0.16 per basic share, which included a gain on discontinued operations of \$103,002, in the first quarter of 2003.

Net sales and gross profit decreased by 3% and 2%, respectively, in the first quarter of 2004 as compared to the same quarter of 2003. The decreases in sales and gross profit were attributable to the reduction in sales of the AstroJax product line in the first quarter of 2004.

Operating expenses increased overall by \$35,000 in the first quarter of 2004. Foreign currency fluctuations resulted in a loss for the quarter, as a result of the weakening of the Canadian dollar as compared to the first quarter of 2003 and accounted for most of this increase, which offset the decreases in the other operating expenses.

Elliot L. Bier, Chairman of Grand Toys, commented, We are pleased with the quarter s results and we will continue to focus on profitable sales and expense control.

The Company anticipates that the June 2004 Spider-Man 2 movie release will lead to profitable sales. In addition, Grand is looking forward to consummating the Playwell acquisition in the very near future, as the Company believe this will further strengthen Grand s position in the marketplace.

A proxy statement/prospectus on F-4 regarding the Playwell and other related transaction has been filed with the Securities and Exchange Commission. It contains important information about the transaction, and investors and security holders are urged to read these documents carefully since they will contain important information about Grand Toys and Playwell, including detailed business and financial information on Playwell. Note: EBITDA is Earnings (Loss) Before Interest, Taxes, Depreciation & Amortization.

In this Press Release, Grand discusses financial measures in accordance with GAAP and also on a non-GAAP basis. Grand s definition of EBITDA is earnings before interest, income taxes, depreciation and amortization. EBITDA does not include gains or losses from the sale of subsidiaries. All references in this press release to EBITDA are to a non-GAAP financial measure. EBITDA, a measure widely used among toy related businesses, is used because management believes that it is an effective way of monitoring the operating performance of our company relative to the industry. Additionally, Grand believes that the use of non-GAAP financial measures enables it and investors to evaluate, and compare from period to period, the results from ongoing operations in a more meaningful and consistent manner.
