Attachment A

The Company is in negotiations with a number of lending institutions to obtain a new revolving credit facility to replace that which expired on March 22, 2002, of which the Company was only recently informed would not be renewed. Key executives and personnel of the Company who would otherwise have been utilized to prepare and complete the Annual Report on Form 10-KSB have been diverted to these negotiations with prospective lenders. Accordingly, the Company has been unable to complete the Annual Report on Form 10-KSB in a timely manner. However, the Company anticipates that such negotiations will be completed and the Company will be able to file its Annual Report on Form 10-KSB for the fiscal year ended December 31, 2002 prior to the end of the extension period.
