INDEPENDENT AUDITOR'S REPORT

To the SFX Entertainment Profit Sharing and $401\,(k)$ Plan San Antonio, Texas

We have audited the accompanying statements of net assets available for plan benefits of the SFX Entertainment Profit Sharing and 401(k) Plan as of December 31, 2001 and 2000, and the related statement of changes in net assets available for plan benefits for the year ended December 31, 2001. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements and supplemental schedule based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining on a test basis evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for plan benefits of the SFX Entertainment Profit Sharing and 401(k) Plan as of December 31, 2001 and 2000, and the changes in its net assets available for plan benefits for the year ended December 31, 2001, in conformity with accounting principles generally accepted in the United States of America.

Our audit of the Plan's financial statements as of and for the year ended

December 31, 2001, was made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of assets held for investment purposes as of December 31, 2001, is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

SFX ENTERTAINMENT PROFIT SHARING AND 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2001 AND 2000

1. DESCRIPTION OF PLAN

The following description of the SFX Entertainment, Inc. (the Company and the Plan Sponsor) Profit Sharing and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General -- The Plan is a defined contribution plan covering all eligible employees, as defined, of the Plan Sponsor. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

In August 2000, SFX Entertainment, Inc.'s stock was purchased by Clear Channel Communications, Inc., a San Antonio based diversified media company. As a result, the SFX Entertainment, Inc. common stock offered as an investment option was replaced with Clear Channel Communications, Inc. common stock.

Contributions — Employer contributions to the Plan consist of matching contributions and elective contributions made annually at the discretion of the Plan Sponsor's Board of Directors. Employer contributions were \$1,387,104 for the year ended December 31, 2001.

Participants may elect to defer a portion of their compensation by an amount that does not exceed the maximum allowed under IRS rules and regulations. Participants are always 100% vested in their voluntary contributions.

Each year, participants may contribute from 1 up to 25 percent of pretax compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers one common stock fund and nine registered investment funds.

Participant Accounts -- Each participant's account is credited with the participant's contribution and allocations of the Plan Sponsor's contribution and Plan earnings and charged with an allocation of certain administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Forfeitures -- Participant forfeitures of non-vested contributions are used to reduce employer contributions to the Plan. For the Plan year ended December 31, 2001, \$36,734 of forfeitures was used to reduce employer contributions. There were no unallocated forfeitures at December 31, 2001.

Vesting -- Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Plan Sponsor's contributions is based on years of continuous service. A participant is 100% vested after five years of credited service (or upon the death, disability, or retirement of the participant).

NOTES TO FINANCIAL STATEMENTS (CONTINUED) DECEMBER 31, 2001 AND 2000

1. DESCRIPTION OF PLAN (continued)

Participant Loans -- Participants may borrow \$1,000 up to a maximum of \$50,000 or 50% of their vested account balance, whichever is less. The loans are secured by the balance in the participant's account and bear a fixed interest rate at one percent above prime.

Payment of Benefits -- On termination of service, a participant may elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account, paid out in a deferred annuity or rolled over into another qualified plan or IRA. Hardship withdrawals are available to Plan participants upon approval.

Effective June 1, 2001, terminated participants can only receive lump sum distributions.

2. SUMMARY OF ACCOUNTING POLICIES

Basis of Accounting -- The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition -- The Plan's investments are stated at fair value. The Plan's investments in common stock are reported at fair value based on quoted market prices. Shares of mutual funds are valued at the net asset value of shares held by the Plan at December 31. Participant loans are valued at cost, which approximates fair value.

Payments of Benefits -- Benefits are recorded when paid.

Use of Estimates -- The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

3. PLAN MERGERS

During 2001 the benefit plans of various companies previously acquired by SFX Entertainment, Inc. were merged into the SFX Entertainment Profit Sharing and 401(k) Plan. The transferred net assets have been recognized in the accounts of the SFX Entertainment Profit Sharing and 401(k) Plan, at amounts previously carried in the accounts of the merged plans. The changes in net assets of the combined plans are included in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2001. A summary of the transferred net assets follows:

6. PLAN TERMINATION
