CN announces share repurchase program, declares fourth-quarter 2004 dividend

MONTREAL, Oct. 27, 2004 CN announced today that its Board of Directors has authorized a normal course issuer bid to purchase for cancellation up to 14 million, or approximately five per cent, of the common shares outstanding of the Company not held by its insiders on Oct. 15, 2004. An aggregate total of approximately 286.5 million common shares was issued and outstanding on that date.

The price CN will pay for any common shares will be the market price at the time of acquisition, plus brokerage fees.

The share buy-back program starting Nov. 1, 2004, and ending no later than Oct. 31, 2005 will be conducted through the facilities of the Toronto and New York stock exchanges and will conform to their regulations.

Claude Mongeau, executive vice-president and chief financial officer of CN, said: "CN's solid cash flow generation capacity has been enhanced by the acquisitions of the railroad and related holdings of Great Lakes Transportation and BC Rail earlier this year. With a strong balance sheet providing strategic flexibility, CN's management and directors believe that this share buy-back program is timely and will support shareholder value creation."

CN also announced today that its Board of Directors has approved a fourth-quarter 2004 dividend on the Company's common shares outstanding. A quarterly dividend of nineteen and one-half cents (Cdn \$0.195) will be paid on Dec. 31, 2004, to shareholders of record at the close of business on Dec. 10, 2004.

This news release contains forward-looking statements. CN cautions that, by their nature, forward-looking statements involve risk and uncertainties and that its results could differ materially from those expressed or implied in such statements. References should be made to CN's most recent Form 40-F filed with the United States Securities and Exchange Commission, and the Annual Information Form filed with the Canadian securities regulators, for a summary of major risks.
