**Item 1.01 Entry into a Definitive Material Agreement.**

Iconix Brand Group, Inc., a Delaware corporation (the Registrant), Moss Acquisition Corp., a Delaware corporation and wholly-owned subsidiary of the Registrant (Acquisition Sub), Mossimo, Inc., a Delaware corporation (Mossimo), and Mossimo Giannulli, the founder, majority stockholder and Co-Chief Executive Officer of Mossimo, have entered into an Agreement and Plan of Merger, dated as of March 31, 2006 (the Merger Agreement). The Merger Agreement provides that, upon the terms and subject to the conditions of the Merger Agreement, Mossimo will merge with and into Acquisition Sub (the Merger), with Acquisition Sub continuing as the surviving corporation and a wholly-owned subsidiary of the Registrant.

Subject to the terms of the Merger Agreement, (i) the Registrant will acquire all of the outstanding shares of Mossimo (the Merger) in consideration for cash and common stock of the Registrant worth \$7.50 per share (the Initial Merger Consideration), plus, if the Registrant's common stock does not trade above \$18.71 in the 12 month period following the Merger, additional shares of the Registrant's common stock (the Additional Merger Consideration), and (ii) at the effective time of the Merger (the Effective Time), each holder of outstanding shares of Mossimo will be entitled to receive the Initial Merger Consideration, consisting of (a) 0.2271139 shares of the Registrant's common stock, and (b) \$4.25 in cash, subject to adjustment if Mossimo has a cash balance of less than \$17,000,000 (as defined and adjusted pursuant to the Merger Agreement) at the closing.

The Additional Merger Consideration will become payable if the Registrant's common stock does not close at or above \$18.71 during each day of any twenty consecutive trading day period during the twelve-month period following the Closing (the Measurement Period). If the Additional Merger Consideration becomes payable, the Registrant shall be required to issue for the benefit of each holder of Mossimo common stock entitled to the Initial Merger Consideration a number of additional shares of the Registrant's common stock determined by dividing: (i) the product of (A) the number of shares of the Registrant's common stock issued to such holder as Initial Merger Consideration multiplied by (B) the difference between (x) \$18.71 and (y) the greater of (I) the average of the highest closing sale price of the Registrant's common stock over any twenty consecutive trading day period during the Measurement Period and (II) the average closing sales price of the Registrant's common stock as reported on the NASDAQ National Market for the three (3) business days prior to the Closing (the Registrant's Average Closing Price) (the higher stock price in this clause (y) is referred to as the Actual Price), by (ii) the Actual Price. The number of shares of the Registrant's common stock issuable is subject to the limitations set forth in the Merger Agreement.

Subject to the Merger occurring, each unexpired and unexercised option, whether vested or unvested, to purchase shares of Mossimo's common stock, without regard to whether such option is then exercisable, will be cancelled. Subject to the terms of the Merger Agreement, each former holder of any cancelled Mossimo option shall be entitled to receive, in consideration of the cancellation of such Mossimo option and in settlement therefor, a payment in cash (subject to any applicable tax withholding) of the excess, if any, of \$7.50 (subject to the per share amount of any reduction in cash consideration)

over the exercise price per share of Mossimo common stock previously subject to such option. If the Additional Merger Consideration becomes payable pursuant to the Merger Agreement, each holder of a Mossimo option cancelled pursuant to the Merger Agreement who was entitled to a payment therefor will receive a cash payment equal to the per share cash value of the Additional Merger Consideration he or she would have received if such holder had exercised the options prior to the Effective Time, less any applicable tax withholding. The Merger Agreement includes customary representations and warranties and covenants made by the parties to each other.

The completion of the Merger is subject to various closing conditions, including approval by Mossimo's stockholders, receipt by Mossimo of a fairness opinion, the absence of certain legal impediments to the consummation of the Merger and the expiration or termination of any required waiting periods under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended. Additional closing conditions include the execution and delivery of (i) a creative director agreement between the Registrant and Mr. Giannulli, and (ii) lock-up agreements and a registration rights agreement among the Registrant, Mr. Giannulli and Edwin Lewis, the Co-Chief Executive Officer of Mossimo. Under the Merger Agreement, Mr. Giannulli agreed to vote the shares of Mossimo common stock owned or held of record by him in favor of the adoption of the Merger, provided, however, that Mr. Giannulli will no longer be obligated to vote in favor of the Merger if the board of directors of Mossimo withdraws its recommendation of the Merger and terminates the Merger Agreement.

The Merger Agreement also contains certain termination rights and provides that, upon the termination of the Merger Agreement under specified circumstances, Mossimo will be required to pay the Registrant a termination fee of \$5 million.

In connection with the proposed Merger, the Registrant and Mossimo intend to file relevant materials with the Securities and Exchange Commission (the "SEC"), including the filing by the Registrant with the SEC of a Registration Statement on Form S-4 (the "Registration Statement"), which will include a prospectus and related materials to register the shares to be issued in exchange for Mossimo shares, and Mossimo plans to file with the SEC and mail to its stockholders a proxy statement/prospectus relating to the proposed transaction (the "Proxy Statement/Prospectus").
