Subject: Conexant to Be Acquired by Golden Gate Capital

Today we announced a definitive merger agreement to sell our company to an affiliate of Golden Gate Capital (<http://goldengatecap.com>), a private equity firm headquartered in San Francisco with deep experience in semiconductors and broader technology sectors. Under the terms of the agreement, Golden Gate has agreed to purchase all of our outstanding shares of stock at a price of \$2.40 per share in cash. We expect to close the transaction in the second calendar quarter of this year subject to the satisfaction of regulatory requirements, approval by our stockholders, and other customary closing conditions.

Once the transaction with Golden Gate is completed, we expect Sailesh Chittipeddi, currently Conexant's president and chief operating officer, to continue in a similar senior-management position.

As you know, we announced a definitive agreement to be acquired by SMSC last month. After Golden Gate made their formal offer, SMSC elected not to amend our merger agreement with a higher bid for our company.

I know this has been a time of uncertainty, which is always challenging, and that you have many questions. As we work to complete the transaction, we will do our best to provide the answers and information you need. In the meantime, as always, we must all focus on avoiding distractions and concentrate on achieving goals and objectives.

Thanks for your continuing support.

Best regards,

Scott
