**PROXY STATEMENT FOR 2005 ANNUAL MEETING OF SHAREHOLDERS
INFORMATION CONCERNING SOLICITATION AND VOTING**

General

This proxy statement and the enclosed form of proxy are being mailed on or about April 8, 2005, to shareholders of Corillian Corporation, an Oregon corporation, in connection with the solicitation of proxies by the Board of Directors of Corillian for use at the annual meeting of shareholders to be held on May 9, 2005, at 10:00 a.m. local time, at the Heathman Hotel, located at 1001 SW Broadway, Portland, Oregon, and any adjournment thereof (the Annual Meeting). Corillian's principal executive offices are located at 3400 NW John Olsen Place, Hillsboro, Oregon 97124.

Record Date and Outstanding Shares

Only shareholders of record at the close of business on March 15, 2005 (the Record Date) will be entitled to vote at the Annual Meeting. At the close of business on the Record Date, there were 38,907,726 shares of Corillian's common stock outstanding.

Revocability of Proxies

Whether or not you are able to attend the Annual Meeting, Corillian urges you to submit your proxy, which, when properly completed, will be voted as you direct. In the event no directions are specified, such proxies will be voted in accordance with the following recommendations of the Board of Directors:

FOR the election of Robert G. Barrett, Alex P. Hart, Tyree B. Miller and James R. Stojak to the Board of Directors (Proposal One); and

FOR the ratification of the appointment of KPMG LLP as independent registered public accounting firm for 2005 (Proposal Two).

A shareholder giving a proxy has the power to revoke that proxy at any time before it is exercised by filing with Corillian's Secretary an instrument of revocation, or a duly exercised proxy bearing a later date, or by personally attending and voting at the Annual Meeting; however the mere presence at the Annual Meeting of a shareholder who has previously appointed a proxy will not revoke the prior appointment.

Quorum and Voting

Each share of Corillian's common stock entitles its holder to one vote. Under Oregon law, action may be taken on a matter submitted to shareholders only if a quorum exists with respect to that matter. A majority of the outstanding shares of Corillian's common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum.

If a quorum is present, a nominee for election to the Board of Directors will be elected by a plurality of the votes cast by shares entitled to vote at the Annual Meeting. For all other matters, if a quorum is present, action will be approved if the votes cast in favor of the action exceed the votes cast opposing the action.

Table of Contents

Shares represented by a properly executed proxy will be voted in accordance with the shareholder's instructions, if given. If no instructions are given, shares will be voted FOR (i) the election of the four (4) nominees for director named in this proxy statement, (ii) the ratification of the selection of KPMG LLP as Corillian's independent registered public accounting firm for fiscal year 2005; and (iii) the recommendations of management on any other matters properly brought before the Annual Meeting. The Board of Directors knows of no other matters to be presented for action at the meeting.

Proxies that expressly indicate an abstention as to a particular proposal and broker non-votes will be counted for purposes of determining whether a quorum exists at the Annual Meeting, but will not be counted for any purposes in determining whether a proposal is approved and have no effect on the determination of whether a plurality exists with respect to a given nominee. Proxies and ballots will be received and tabulated by Mellon Investor Services LLP, the Company's transfer agent.

Solicitation of Proxies

This solicitation is being made on behalf of the Board of Directors, and the cost of soliciting proxies will be borne by Corillian. In addition to solicitation by mail, certain of Corillian's directors, officers and regular employees may solicit proxies, without additional compensation, in person or by telephone or other means. Brokers, nominees and fiduciaries will be reimbursed in accordance with customary practice for expenses incurred in obtaining proxies or authorizations from the beneficial shareholders. Your cooperation in promptly completing, signing, dating and returning the enclosed proxy card will help avoid additional expense. Shareholders who hold shares in street name through a broker or otherwise through a nominee will receive instructions from the broker or nominee on how to instruct the broker or nominee to vote the shares.

Shareholder Proposals for 2006 Annual Meeting

Shareholder proposals to be presented at the 2006 annual meeting of shareholders must be received at Corillian's principal executive offices no later than December 9, 2005 in order to be included in Corillian's proxy statement and form of proxy relating to that meeting.

According to Corillian's bylaws, for business to be properly brought before the 2006 annual meeting of shareholders by a shareholder, the shareholder must have given timely notice thereof in writing to the Secretary. To be timely, a shareholder's notice must be delivered to or mailed and received at Corillian's principal executive offices not less than 60 days nor more than 90 days prior to the date of the 2006 annual meeting of shareholders; provided, that in the event that less than 70 days' notice of the date of the 2006 annual meeting of shareholders is given to the shareholders, notice by the shareholder, to be timely, must be so received not later than the close of business on the seventh day following the day on which such notice of the date of the meeting was mailed.

If Corillian receives proper notice of a shareholder proposal pursuant to Corillian's bylaws, and such notice is not received a reasonable time prior to mailing by Corillian of its proxy materials for Corillian's 2006 annual meeting of shareholders, Corillian believes that its proxy holders would be allowed to use the discretionary authority granted by the proxy card to vote against the proposal at the meeting without including any disclosure of the proposal in the proxy statement relating to such meeting.

Shareholder Information

Corillian's 2004 Annual Report To Shareholders accompanies these materials. Copies of Corillian's Annual Report On Form 10-K for the fiscal year ended December 31, 2004 may be obtained from Corillian without charge upon written request to Corillian. Requests should be directed to the Secretary, Corillian Corporation, 3400 NW John Olsen Place, Hillsboro, Oregon 97124.

PROPOSAL 1: ELECTION OF DIRECTORS

Under Corillian's Articles of Incorporation, the Board of Directors may be classified as long as it consists of at least six directors. The members of a classified Board serve staggered three year-terms. At each annual

Table of Contents

meeting, directors in one class are elected for a term of three years to succeed those directors whose terms expire at that annual meeting or until their respective successors are duly qualified and elected. At the 2004 annual meeting of shareholders, because the Board of Directors consisted of five directors, rather than six directors, the shareholders elected two directors to serve one-year terms instead of three-year terms. The Board of Directors increased the size of the Board to six members and appointed an additional director subsequent to the 2004 annual meeting of shareholders.

Effective at the Annual Meeting, the Board of Directors will again be divided into three classes, consisting of two Class 1 directors, two Class 2 directors and two Class 3 directors. At the Annual Meeting, the shareholders are being asked to elect a total of four directors: two Class 1 directors to serve a term of two years, or until death or removal from office and until their respective successors are duly qualified and elected; and two Class 2 directors to serve a term of three years, or until death or removal from office and until their respective successors are duly qualified and elected.

Nominees

The Nominating and Corporate Governance Committee of the Board of Directors selected, and the Board of Directors approved, the following nominees for election to the Board of Directors at the Annual Meeting, each to serve until the annual meeting of shareholders held in the year listed beside his name or until his successor is duly qualified and elected (the Nominees):

Name	Class	Term Expires
Robert G. Barrett	Class 1 Director	2007
Alex P. Hart	Class 1 Director	2007
Tyree B. Miller	Class 2 Director	2008
James R. Stojak	Class 2 Director	2008

Although the Board of Directors anticipates that the Nominees will be available to serve as directors of Corillian, if any of them does not accept the nomination, or otherwise is unwilling or unable to serve, the proxies will be voted for the election of a substitute nominee or nominees designated by the Board of Directors. There are no arrangements or understandings between any director or executive officer and any other person pursuant to which he is or was to be selected as a director or officer of Corillian. There is no family relationship between any director or executive officer of Corillian.

Vote Required

If a quorum is present, the four (4) candidates receiving the highest number of affirmative votes represented and voting on this proposal at the Annual Meeting will be elected to the Board of Directors. Abstentions and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum, but will have no effect on the election of directors once a quorum is established.

Board Meetings and Committees

The Board of Directors has determined that Messrs. Barrett, Dunn, Miller, Stojak, and Whipple, who constitute a majority of the Board of Directors, are independent under applicable NASD rules.

During 2004, there were six meetings of the Board of Directors. Each director during 2004 attended more than 75% of the aggregate number of Board of Directors meetings and meetings of Board committees of which he was a member.

The Board of Directors has standing Audit, Compensation, and Nominating and Corporate Governance Committees. All members of the committees are appointed by the Board of Directors, and are independent, non-employee directors. The following describes each committee, its current membership, the number of meetings held during fiscal year 2004 and its function.

Audit Committee. The Audit Committee currently consists of Messrs. Whipple, Barrett and Dunn, all of whom are independent under NASD rules and SEC regulations applicable to audit committee members. The Board has determined that Mr. Dunn is an audit committee financial expert as defined in SEC regulations. Mr. Whipple is Chair of the Audit Committee.

The Audit Committee held seven meetings during 2004. The Audit Committee assists the Board of Directors in oversight of the integrity of Corillian's financial statements, Corillian's compliance with legal and regulatory requirements, the independent registered public accounting firm's qualifications and independence, the performance of the independent registered public accounting firm and internal audit function and compliance with Corillian's code of ethics for senior financial officers and code of conduct for all Corillian's personnel. The Audit Committee operates under a written charter, which was attached to Corillian's proxy statement for the 2004 annual meeting of shareholders. The Audit Committee report is included in this proxy statement on page 21.

Compensation Committee. The Compensation Committee currently consists of Messrs. Barrett, Stojak (since September 2004) and Whipple and Ravi Mohan. Mr. Mohan's term as a director is ending at the Annual Meeting. Messrs. Barrett, Mohan, Stojak and Whipple are independent under applicable NASD rules. Mr. Barrett is the chairman of the Compensation Committee. Executive officers who are also directors of Corillian do not participate in decisions affecting their own compensation. The Compensation Committee held three meetings during 2004. The Compensation Committee approves compensation for Corillian's executive officers, reviews and approves executive compensation programs and administers Corillian's stock incentive and executive compensation plans. The Compensation Committee operates under a written charter contained in Corillian's bylaws. The Compensation Committee report is included in this proxy statement on page 17.

Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee currently consists of Messrs. Barrett, Dunn, Mohan and Whipple. Mr. Mohan's term as a director is ending at the Annual Meeting. Messrs. Barrett, Dunn, Mohan and Whipple are independent under applicable NASD rules. The Nominating and Corporate Governance Committee was established in March 2003 to: (i) identify individuals qualified to become members of the Board of Directors; (ii) approve and recommend to the Board of Directors director candidates; (iii) develop, update as necessary and recommend to the Board of Directors corporate governance principles and policies applicable to the Company; and (iv) monitor compliance with such principles and policies. The Nominating and Corporate Governance Committee's written charter is available on the corporate governance section of the investor relations page on the Company's website at www.corillian.com/investors. The committee did not have any meetings during 2004 and acted solely by written consent.

The Nominating and Corporate Governance Committee utilizes a variety of methods for identifying and evaluating director candidates. Candidates should have the highest personal and professional ethics, integrity and values. They should have broad professional experience in business, government, education, technology or

Table of Contents

public interest. They should be committed to enhancing shareholder value and should have sufficient time to carry out their duties as a director. Each director must represent the interests of Corillian shareholders.

The committee regularly assesses the appropriate size of the Board, and whether any vacancies on the Board are expected due to retirement or otherwise. In the event that vacancies are anticipated, or otherwise arise, the committee considers various potential candidates for director. Candidates may come to the attention of the committee through current Board members, professional search firms or other persons. These candidates are evaluated at regular or special meetings of the committee using the criteria listed above, and may be considered at any point during the year.

While the Nominating and Corporate Governance Committee does not consider nominees recommended by shareholders, shareholders can directly nominate directors for election by following the procedures set forth in Corillian's bylaws. Corillian's bylaws require that shareholders give advance notice and furnish certain information to Corillian in order to nominate a person for election as a director. Shareholders of Corillian can nominate candidates for election as directors by submitting a notice in writing to the Secretary of Corillian at 3400 NW John Olsen Place, Hillsboro, Oregon 97124. This notice must be received not less than 60 days or more than 90 days prior to the date of the annual meeting of shareholders. If Corillian provides less than 70 days' notice to shareholders of the date of the annual meeting of shareholders, notice by a shareholder nominating a director candidate must be received by Corillian by the close of business on the seventh day following the day on which such notice of the date of the meeting was mailed. A shareholder's written notice to nominate a director candidate must state for each person recommended as a director candidate: the candidate's name, age, business and residence address and his or her principal occupation or employment. The notice must also state as to the shareholder giving the notice: that person's name and address as they appear on Corillian's books; a representation that he or she is entitled to vote at the annual meeting of shareholders; the number of shares of Corillian's common stock that he or she beneficially owns; and a representation that the shareholder intends to appear in person or by proxy at the meeting to make the nomination specified in the notice. In addition, the notice must include any other information relating to the shareholder that is required to be disclosed in solicitations of proxies for election of directors, or is otherwise required, pursuant to Regulation 14A under the Securities Exchange Act of 1934, as amended. If a nomination is not made in accordance with these procedures, the nomination will be disregarded.

Compensation Committee Interlocks and Insider Participation

The members of the Compensation Committee during 2004 were Messrs. Barrett, Mohan, Stojak (since September 2004) and Whipple. Mr. Mohan's term as a director is ending at the Annual Meeting. Messrs. Barrett, Mohan, Stojak and Whipple have at no time been officers or employees of Corillian. Mr. Barrett and Mr. Mohan were partners of Battery Ventures, a former holder of more than 5% of Corillian's stock, until April 2000 and June 2004, respectively. Corillian has issued and sold shares of stock to Battery Ventures in two private placement transactions, as previously reported. Battery Ventures no longer holds any shares of Corillian's stock.

Compensation of Directors

Non-employee directors receive \$1,000 for each Board of Directors meeting attended and \$500 for each committee meeting attended. Corillian also grants stock options to non-employee directors from time to time. Corillian granted stock options to purchase an aggregate of 40,000 shares to non-employee directors in 2004, and granted stock options to purchase 20,000 shares to Mr. Miller, a non-employee director, upon his election to the Board of Directors in March 2005. No employee director receives additional compensation for his service as a director.

Shareholder Communication with Directors

Shareholders can communicate with the Board of Directors, the independent directors or any individual director by submitting written communication addressed to the Board of Directors, the independent directors or an individual director, at Corillian Corporation, 3400 NW John Olsen Place, Hillsboro, Oregon 97124.

Table of Contents

All communications received in accordance with these procedures will be reviewed initially by Corillian's Investor Relations Department. The Investor Relations Department will relay the communications to the appropriate director or directors unless the Investor Relations Department determines that the communication:

does not relate to the business or affairs of Corillian or the functioning or constitution of the Board of Directors or any of its committees;

relates to routine or insignificant matters that do not warrant the attention of the Board;

is an advertisement or other commercial solicitation or communication;

is frivolous or offensive; or

is otherwise not appropriate for delivery to directors.

The director or directors who receive a communication received in accordance with these procedures will have discretion to determine whether the subject matter of the communication should be brought to the attention of the full Board or one or more of its committees and whether any response to the person sending the communication is appropriate. Any such response will be made through the Investor Relations Department and only in accordance with Corillian's policies and procedures and the applicable law and regulations relating to the disclosure of information.

Corillian encourages its directors to attend the annual meeting of shareholders. One member of the Board of Directors attended the 2004 annual meeting of shareholders.

PROPOSAL 2: RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board of Directors has selected KPMG LLP to audit Corillian's financial statements for the fiscal year ending December 31, 2005. The Audit Committee carefully considered that firm's qualifications as an independent registered public accounting firm. This included a review of the qualifications of the engagement team, the quality control procedures the firm has established, and any issues raised by the most recent quality control review of the firm; as well as its reputation for integrity and competence in the fields of accounting and auditing. The Audit Committee's review also included matters required to be considered under the SEC's rules on auditor independence, including the nature and extent of non-audit services, to ensure that they will not impair the independence of the accountants. The Audit Committee was satisfied with KPMG LLP in all of these respects.

Although ratification by shareholders is not required by law, the Board of Directors has determined that it is desirable to request approval of this selection by the shareholders. Notwithstanding its selection, the Audit Committee, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interests of Corillian and its shareholders. If the shareholders do not ratify the appointment of KPMG LLP, the Audit Committee may reconsider its selection. Representatives of KPMG LLP will be in attendance at the Annual Meeting and will be given the opportunity to make a statement if they wish to do so and will be available to respond to appropriate questions.

Table of Contents**Fees Billed to Corillian by KPMG LLP During 2004**

The following table presents fees billed for professional audit services and other services rendered by Corillian's independent registered public accounting firm, KPMG LLP, for the fiscal years ended December 31, 2004 and December 31, 2003.

	Fees	
	2004	2003
Services		
Audit fees(1)	\$ 355,000	\$ 159,000

- (4) **All Other Fees** consisted of fees for a SAS 70 review performed by KPMG LLP over Corillian's hosted data center located in Oregon, unrelated to its audit of Corillian's financial statements.

Pre-Approval of Audit and Non-Audit Services

The Audit Committee has established a policy governing Corillian's use of KPMG LLP for non-audit services. Under the policy, management may use KPMG LLP for non-audit services that are permitted under SEC rules and regulations, provided that management obtains the Audit Committee's approval before such services are rendered.

The Audit Committee has determined that the provision of all fees identified above under the captions

Audit-Related Fees, **Tax Fees** and **All Other Fees** that were billed by KPMG LLP is compatible with maintaining KPMG LLP's independence and has pre-approved these services in accordance with its charter and applicable laws, rules and regulations.

Vote Required

If a quorum is present, the affirmative vote of a majority of the shares present or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the appointment of KPMG LLP as Corillian's independent registered public accounting firm. Abstentions will have the effect of a vote against the ratification of KPMG LLP as Corillian's independent registered public accounting firm. Broker non-votes will have no effect on the outcome of the vote.

The Board of Directors unanimously recommends that the shareholders vote FOR the ratification of KPMG LLP as Corillian's independent registered public accounting firm for the year ending December 31, 2005.

Employment, Change of Control and Severance Agreements

Executive Severance Agreements. Corillian has entered into severance agreements with key employees of the company, including the Named Executive Officers. These severance agreements provide for severance payments to be made to these employees if they are terminated without cause at any time and increased severance payments if they are terminated without cause within one year after a change of control of Corillian. The severance payments that would be made if these employees are terminated without cause at any time are as follows: for Alex Hart, one year's base salary; for each of the other executive officers, six month's base salary. The severance payments that would be made if these employees are terminated without cause within one year after a change of control of Corillian are as follows: for Alex Hart, one year's base salary plus an amount sufficient to enable him to pay off the entire outstanding amount of his debt obligation to Corillian (currently \$85,374) after taking into account applicable withholding taxes;

for Chris Brooks, one year's base salary; for Paul Wilde, one year's base salary if Mr. Wilde has established permanent residency in Portland, Oregon and six months' base salary if Mr. Wilde has not established permanent residency in Portland, Oregon; and for Erich Litch, six months' base salary. In addition, fifty percent to one hundred percent of any unvested portion of all stock options held by the executive officers will accelerate if the executive's employment with Corillian is terminated within one year after a change in control of Corillian.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

General

Pursuant to authority delegated by the Board of Directors, the Compensation Committee approves compensation of executive officers, including the Chief Executive Officer. The Compensation Committee is also responsible for reviewing and approving executive compensation programs and administering our stock incentive and executive compensation plans. The Compensation Committee also provides advice on a broad range of human resources issues, including best practices in the areas of benefits, staffing, succession planning and general compensation. The Compensation Committee annually reviews the Chief Executive Officers performance, and reviews with the Chief Executive Officer the performance of the other executive officers.

Compensation Policy

The Compensation Committee believes that Corillian's total executive compensation programs should be related to corporate performance, which leads to increasing shareholder value. We have developed a total compensation strategy that ties a significant portion of executive compensation to the achievement of our business plan and objectives as established by the Board of Directors. The primary objectives of the Compensation Committee are to:

Attract and retain talented executives;

Motivate executives to successfully implement business strategies to achieve long-term and near-term financial targets; and

Align executive performance with Corillian's strategic and tactical goals.

We have base pay, bonus and stock incentive programs for our executive officers, as well as a 401(k) plan. These programs are designed to offer compensation that is competitive with compensation offered by companies of similar size and complexity within the software industry. The Compensation Committee uses comparative information from a peer group of companies in the software industry, particularly the Internet-based financial services software industry, for establishing executive compensation, general compensation structures and Corillian performance goals. Corillian's executive officers do not generally receive any fringe benefits or perquisites; we pay for a golf club memberships for one executive officer, Alex Hart, pursuant to the compensation arrangement we entered into with him when he commenced employment with Corillian.

Base Salaries

Base salaries for the Chief Executive Officer and other executive officers are initially determined by evaluating the responsibilities of the position and the experience of the individual, by reference to the competitive marketplace for corporate executives and, for executive officers other than the Chief Executive Officer, taking into account the Chief Executive Officer's recommendations. This evaluation includes a comparison of base salary and total compensation for comparable positions at companies in our peer group.

Annual salary adjustments for the Chief Executive Officer and other executive officers are considered and determined by evaluating Corillian's performance and the performance of each executive officer, and also take into account any new responsibilities and information about the competitive marketplace for corporate executives and, for executive officers other than the Chief Executive Officer, are based on the Chief Executive Officer's recommendations. The Compensation Committee, when appropriate, also considers non-financial performance measures that focus attention on improvement in management processes.

Executive Bonus Plan

Our executive officers participate in an executive bonus plan, which is a cash incentive compensation plan that provides an opportunity for executive officers, including the Chief Executive Officer, to earn semi-annual bonuses. In the first quarter of each fiscal year, the Compensation Committee approves minimum and target performance objective thresholds for Corillian's performance based on achievement of Corillian's business plan and objectives approved by the Board of Directors, with interim goals that are measured on a semi-annual

Table of Contents

basis. The Compensation Committee also approves annual performance objectives, with interim goals, based on each executive officer's personal performance. These performance targets determine the minimum and maximum amount of cash payments under the plan. For executive officers other than the Chief Executive Officer, the Committee establishes the personal performance objectives based on the Chief Executive Officer's recommendations. If the minimum performance objectives under the executive bonus plan for Corillian's performance are not met, no bonuses are paid, even if the executive officer meets individual performance objectives. In addition to the executive bonus plan, our executive officer in charge of sales generally participates in an additional bonus plan that relates to the achievement of sales performance goals.

Bonuses under the executive bonus plan are calculated as a percentage of base salary and, when added to the executive officers' base salaries, are intended to produce total annual compensation for each executive officer, including the Chief Executive Officer, that is in line with the compensation paid to comparable executive officers at companies in our peer group. Maximum executive officer bonus amounts generally range from 30% to 50% of base salary, with the Chief Executive Officer eligible for the highest percentage bonus. Bonuses paid will be based on percentage achievement of the performance objectives approved by the Compensation Committee.

The executive officers, including the Chief Executive Officer, received bonuses under the executive bonus plan for the first half of 2004, based on achievement of the interim goals, but did not receive bonuses for the second half of 2004. The officer serving as Senior Vice President of Sales in 2004 did not participate in the executive bonus plan, but instead received a bonus for the first half of 2004 under a separate executive bonus plan, in which he was the only participant, based on target performance objectives for sales performance goals.

Stock Options

All of our employees, including executive officers and the Chief Executive Officer, are eligible to participate in our 2000 Stock Incentive Compensation Plan. Existing executive officers and directors are not eligible to participate in our 2003 Nonqualified Stock Incentive Compensation Plan, but newly hired executive officers may receive awards under this plan as an inducement to accepting employment with Corillian. All option grants to executive officers are approved by the Compensation Committee. Guidelines for the number of options granted to executive officers have been established, and are reviewed periodically, by the Compensation Committee to ensure competitiveness. Actual grants are based on individual performance and contribution to our strategic success. No options were granted during 2004. The Compensation Committee granted options in the first quarter of 2005 that reflect executive officer performance in 2004.

Compliance with Internal Revenue Code Section 162(m):

Section 162(m) of the Internal Revenue Code of 1986 limits to \$1,000,000 per person the amount that Corillian may deduct for compensation paid to the Chief Executive Officer and four other highest compensated officers. Certain compensation, including qualified performance-based compensation, will not be subject to the deduction limit if certain requirements are met. The Compensation Committee reviews the potential effect of Section 162(m) periodically and generally seeks to structure the long-term incentive compensation granted to executive officers in a manner that is intended to avoid disallowance of deductions under Section 162(m). Nevertheless, there can be no assurance that compensation attributable to awards we may grant in the future under Corillian's incentive compensation plans will be treated as qualified performance-based compensation under Section 162(m). In addition, the Compensation Committee reserves the right to authorize compensation payments that may be subject to the limit when we believes such payments are appropriate and in the best interests of Corillian and our shareholders, after taking into

Table of Contents

consideration changing business conditions and the performance of these officers. For 2004, all compensation paid to executive officers was deductible.
