The accompanying unaudited financial information has been furnished pursuant to Article 11 of Regulation S-X. In accordance with Article 11, the unaudited pro forma balance sheet as of April 2, 2005, the last day of our fiscal second quarter, presents Jacuzzi s financial position as if the sale of Eljer had occurred on that date. Pro forma adjustments to reflect the sale have been applied to the historical balance sheet and statements of earnings. These adjustments are based upon available information and certain assumptions that management believes are reasonable under the circumstances. The adjustments are described in the notes to the pro forma financial information and are set forth in the Pro Forma Adjustments columns.

The unaudited pro forma consolidated financial information is presented for informational purposes only. They do not purport to represent what our results of operations or financial position would have been had this transaction occurred on the dates indicated, and do not necessarily project our financial position at any future date or our results of operations for any future period. This unaudited pro forma financial information is derived from the historical financial information of Jacuzzi and presented on a stand-alone basis not including or incorporating any pro forma adjustments from any other transactions.
