Forward-Looking Statement

This document contains forward-looking statements about Fifth Third Bancorp (Fifth Third or FITB), Old Kent Financial Corporation (Old Kent or OK) and the combined company which we believe are within the meaning of the Private Securities Litigation Reform Act of 1995. These statements are made in connection to the financial condition, results of operations, plans, objectives, future performance and business of Fifth Third and/or the combined company. These forward-looking statements involve certain risks and uncertainties. There are a number of important factors that could cause future results to differ materially from historical performance and these forward-looking statements. Factors that might cause such a difference include, but are not limited to: (1) competitive pressures among depository institutions increase significantly; (2) changes in the interest rate environment reduce interest margins; (3) prepayment speeds, loan sale volumes, charge-offs and loan loss provisions; (4) general economic conditions, either national or in the states in which Fifth Third and Old Kent do business, are less favorable than expected; (5) legislative or regulatory changes adversely affect the business in which Fifth Third and Old Kent are engaged; and (6) changes in the securities markets. Further information on other factors which could effect the financial results of Fifth Third after the merger

are included in Fifth Third's and Old Kent's filings with the SEC. These documents are available free of charge at the SEC's website at <http://www.sec.gov> and/or from Fifth Third or Old Kent.

Uninterrupted Growth Story

Fifth Third and Old Kent combined will continue to generate high revenue growth rates

Sources of revenue growth:

Attractive new markets for Fifth Third products:

- Duplicate FITB s deposit campaign successes in new markets
- Sell MPS e-commerce solutions in new markets
- Enrich Commercial and Investment Advisory revenue mix

Achieving FITB results on OK s deposit base is a \$48 million per year revenue opportunity :

- Improve Old Kent s fee income to net revenue ratio*: FITB = 38%; OK = 26%

- Ratio of deposit fee revenue to core deposits: FITB = 1.54%; OK = 0.97%

* Ratios calculated excluding mortgage banking fees.
