USE OF PROCEEDS

All of the shares of our common stock offered by this prospectus will be sold by the Foundation. As a result, we will not receive any of the proceeds from the sale of these shares.

SELLING SHAREHOLDER

Our board of directors has approved the donation of up to 40,000 shares of our common stock to the Foundation. The donation of these shares may occur from time to time over the next three years. The Foundation may use this prospectus to sell from time to time some or all of the shares that we donate to them.

The Foundation was created in 1972 and is recognized by the Internal Revenue Service as a private foundation described in section 501(c)(3) of the Internal Revenue Code. The Foundation:

- o provides college scholarships to children and other dependents of our U.S. full-time employees;
- o provides financial assistance to nonprofit organizations serving the cultural, health and public service needs of the communities where we maintain operations; and
- o encourages financial support of education by matching (within certain limits) the contributions of our full-time employees, retirees and directors to eligible educational institutions.

The address for the Foundation is The Herman O. West Foundation, c/o West Pharmaceutical Services, Inc., 101 Gordon Drive, Lionville, PA 19342.

The following table sets forth, as of the date of this prospectus, the maximum number of donated shares of our common stock that the Foundation may sell using this prospectus. To the best of our knowledge, the Foundation does

Edgar Filing: WEST PHARMACEUTICAL SERVICES INC - Form S-3/A

not own more than one percent of our outstanding shares of common stock either before or after the sales contemplated by this prospectus.

Name

Number of Shares Covered by This Prospectus

The Herman O. West Foundation (1).....40,000(2)

- (1) Although no formal relationship exists between us and the Foundation, we make annual contributions to the Foundation. George R. Bennyhoff, a former executive of the company, and William G. Little, a current senior executive officer of our company, are trustees of the Foundation. Dr. Franklin H. West, who is not an affiliate of our company, exercises sole voting and dispositive power over these shares of common stock.
- (2) Represents 40,000 shares of our common stock which we may donate to the Foundation from time to time over the next three years. However, we are under no legal obligation to issue, and the Foundation has no legal entitlement to receive, these shares.

Future sales of our common stock may, if required, be accompanied by a supplement to this prospectus setting forth the name of the selling shareholder using that prospectus supplement, the number of shares being sold and a supplemental plan of distribution describing the specific manner of sale of those shares.

PLAN OF DISTRIBUTION

The Foundation, and its donees, pledgees, transferees, assignees and other successors-in-interest, may offer and sell, from time to time, some or all of the shares of common stock covered by this prospectus. Although we are under no legal obligation to donate all or any portion of the 40,000 shares covered by this prospectus, we have registered the offer and sale of these shares so that, if we donate some or all of them, these shares may be freely sold to the public by the Foundation. Registration of the shares of our common stock covered by this prospectus does not mean, however, that we necessarily will donate all or any portion of the shares to the Foundation or that, if donated, these shares will be offered or sold by the Foundation. We will not receive any proceeds from the sale of the shares covered by this prospectus. See "Use of Proceeds". We will pay all costs, expenses and fees in connection with the registration of the shares of common stock, including fees of our counsel and accountants, fees payable to the SEC and listing fees. We estimate those fees and expenses to be approximately \$37,000. The Foundation will pay all underwriting discounts and commissions and similar selling expenses, if any, attributable to the sale of the shares of common stock covered by this prospectus.

The Foundation (including its donees, pledgees, transferees, assignees or other successors-in-interest who, after the date of this prospectus, receive from the Foundation any portion of the shares covered by this prospectus pursuant to a gift, pledge or other transaction not involving a sale) may sell the shares described in this prospectus from time to time, at market prices prevailing at the time of sale, at prices related to market prices, at a fixed price or at prices subject to change or at negotiated prices, by a variety of methods including:

Edgar Filing: WEST PHARMACEUTICAL SERVICES INC - Form S-3/A

- o in privately negotiated transactions;
- o through broker-dealers, who may act as agents or principals;
- o in a block trade in which a broker-dealer will attempt to sell a block of shares of common stock as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- o through one or more underwriters on a firm commitment or best-efforts basis;
- o directly to one or more purchasers;
- o through agents;
- o in the over-the-counter market;
- o through put or call options transactions relating to shares of our common stock;
- o to cover short sales of our common stock; or
- o in any combination of the above.

The broker-dealers through or to whom the shares of our common stock may be sold may be deemed underwriters of the shares within the meaning of the Securities Act of 1933, as amended, in which event all brokerage commissions or discounts and other compensation received by those broker-dealers may be deemed to be underwriting compensation. To the extent required, the names of any underwriters and applicable commissions or discounts and any other required information with respect to any particular sale will be set forth in an accompanying prospectus supplement.

The Foundation has advised us that as of the date of this prospectus it has not entered into any agreements, understandings or arrangements with any underwriters or broker-dealers regarding the sale of the shares covered by this prospectus, nor is there an underwriter or coordinating broker acting in connection with the proposed sale of shares by the Foundation. However, if the Foundation subsequently enters into any of these types of arrangements, broker-dealers engaged by the Foundation may arrange for other broker-dealers to participate. Broker-dealer transactions may include:

- o purchases of the shares of common stock by a broker-dealer as principal and resales of the shares of common stock by the broker-dealer for its account pursuant to this prospectus;
- o ordinary brokerage transactions; or
- o transactions in which the broker-dealer solicits purchasers.

In connection with the sale of the shares of common stock covered by this prospectus through underwriters, underwriters may receive compensation in the form of underwriting discounts or commissions and also may receive commissions from purchasers of shares of common stock for whom they may act as agent. Underwriters may sell to or through broker-dealers, and such broker-dealers may receive compensation in the form of discounts, concessions or commissions from the underwriters and/or commissions from the purchasers for whom they may act as

Edgar Filing: WEST PHARMACEUTICAL SERVICES INC - Form S-3/A

agent. The discounts and commissions described in this paragraph may exceed those customary in the types of transactions involved.

At the time a particular offer of the shares of common stock covered by this prospectus is made, a revised prospectus or prospectus supplement, if required, will be distributed, which will set forth the aggregate amount of shares of common stock covered by this prospectus being offered and the terms of the offering, including the name or names of any underwriters, dealers, brokers or agents, any discounts, commissions, concessions and other items constituting compensation from the selling shareholders and any discounts, commissions or concessions allowed or reallocated or paid to dealers. Such revised prospectus or prospectus supplement, and, if necessary, a post-effective amendment to the registration statement of which this prospectus is a part, will be filed with the SEC to reflect the disclosure of additional information with respect to the distribution of the shares of common stock covered by this prospectus. In addition, if the Foundation notifies us that one or more of its donees, pledgees, transferees, assignees or other successors-in-interest intends to sell more than 500 shares, a supplement to this prospectus will be filed.

Because the Foundation may be deemed an "underwriter" within the meaning of Section 2(11) of the Securities Act, the Foundation will be subject to the prospectus delivery requirements of the Securities Act. We have informed the Foundation that the anti-manipulative provisions of Regulation M promulgated under the Exchange Act, may apply to its sales in the market.

The Foundation may sell the shares of common stock covered by this prospectus pursuant to Rule 144 promulgated under the Securities Act, rather than pursuant to this prospectus.

LEGAL MATTERS

The validity of the shares of our common stock offered by this prospectus will be passed upon for us by John R. Gailey III. Mr. Gailey is one of our full-time employees, holding the title of Vice President, General Counsel and Secretary. As of June 30, 2002, Mr. Gailey beneficially owned 10,406 shares of our common stock and had options to acquire an additional 24,000 shares of our common stock.

EXPERTS

The financial statements incorporated in this prospectus by reference to our Annual Report on Form 10-K for the year ended December 31, 2001, have been so incorporated in reliance on the report of PricewaterhouseCoopers LLP, independent accountants, given on the authority of said firm as experts in auditing and accounting.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

The Registrant maintains a policy of insurance under which the respective directors and officers (as defined therein) of the Registrant are insured subject to specified exclusions and deductible and retention and maximum amounts against loss arising from any civil claim or claims which may be made against any director or officer (as so defined) of the Registrant by reason of any breach of duty, neglect, error, misstatement, misleading statement, omission or act done or wrongfully attempted or alleged to have been done while acting in their respective capacities.

Section 8 of Article II of the Bylaws of the Registrant provides that a director shall not be personally liable for monetary damages for any action taken on or after January 27, 1987, or for failure to take any action on or after such date unless (i) the director has breached or failed to perform the

Edgar Filing: WEST PHARMACEUTICAL SERVICES INC - Form S-3/A

duties of his office under Section 8363 of the Pennsylvania Directors Liability Act (Act 145 of 1986, P.L. 1458), relating to standard of care and justifiable reliance, and (ii) the breach or failure to perform constitutes self-dealing, willful misconduct or recklessness. The provisions of Section 8 of Article II of the Bylaws shall not apply to (i) any criminal statute or (ii) the liability of a director for the payment of taxes due to local, state or federal law.

Article IV of the Bylaws provides that the Registrant shall indemnify any person who was or is a party or threatened to be made a party to any threatened, pending or completed action, suit or proceeding by reason of the fact that such person is or was a director, officer, employee or agent of the Registrant or serving at the request of the Registrant as a director, officer, employee or agent of another entity. Such indemnification shall be against all expenses, judgments, fines and amounts paid in settlement of such proceedings to the extent that such person has not otherwise been indemnified and the power to give such indemnification has been granted by statute. For this purpose, the Board has the power to buy and maintain insurance at the Registrant's expense. Payment of expenses may be made to an indemnified person prior to the final disposition of an action.

The Pennsylvania Directors Liability Act and the Pennsylvania Business Corporation Law authorize the indemnification set forth above if the actions of the person to be indemnified did not constitute willful misconduct or recklessness or, in the opinion of the Registrant, self-dealing. The character of the conduct of the person to be indemnified shall be determined by members of the Board not parties to such litigation, independent counsel or the shareholders of the Registrant. The obligation of the Registrant to indemnify a director, officer, employee or agent under Article IV of the Bylaws constitutes a contract between the Registrant and such person, and no modification or repeal of any provision of Article IV of the Bylaws will affect, to the detriment of the director, officer, employee or agent, such obligations of the Registrant in connection with a claim based in any act or failure to act occurring before such modification or repeal.

ITEM 17. UNDERTAKINGS

2. The undersigned registrant hereby undertakes:

o To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

o To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;

o To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement.

o To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

Provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to section 13 or section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

II-2

o That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

o To remove from registration by means of a post-effective amendment any

Edgar Filing: WEST PHARMACEUTICAL SERVICES INC - Form S-3/A

of the securities being registered which remain unsold at the termination of the offering.

3. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

4. Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
